# Take Your Ventilation To The Maxx

**Exclusive side louvers  
provide unsurpassed  
cross ventilation**

Stainless steel snap lock pins remove for easy access

Aerodynamic Shape maximizes vent area and mounts to the same holes as the MaxxAir standard vent cover

Hinged brackets provide full access for cleaning and inspection of roof vent seal.

## There Is No Better Choice

The new MaxxAir II, available in the same popular colors as the original vent cover, is the most advanced ever. With more vent area – double the original – and our exclusive easy to open hinged brackets, you cannot buy a better vent cover. MaxxAir, America's fresh air choice since 1988.
