

TURBO/MAXX® No Vent Removal Required!

Make Any Roof Vent a Rain-Free Ventilation Fan

All the benefits of a Vent Cover - Plus a fan!

New!

- Features hinge opening mounting brackets that provide easy access for cleaning and service
- Control console at ceiling provides 3 speed fan motor operation with intake and exhaust functions
- Thermostat model provides automatic operation
- Large 12" diameter, 10-blade fan prevents heat build-up, odors and musty air
- 2-year Limited WARRANTY
- Powerful 12-volt, 4-amp motor provides more than 900 CFM on highest speed

MaxxAir's Turbo/Maxx® provides maximum ventilation even when it rains. Remove musty air, smoke and cooking odors while preventing heat build-up. The Model 1200T WITH THERMOSTAT allows the fan to cycle on and off when you're gone. Simply adjust the thermostat to your desired temperature. The Turbo/Maxx® attaches directly to your existing 14" x 14" standard roof vent. Both models feature a white, high density polyethylene rain cover with UV inhibitors. Two-year Limited Warranty.
