

FAN/MATE® **New & Improved!**

The recommended rain cover for Fantastic Fan, MaxxFan Standard, ShurFlo Comfort Air or any other high volume RV roof ventilator!

Leave your fan open and ventilate your RV, even when it's raining!

- New!** • Model 850 and Model 950 (Black) feature a 20% larger vent area for better fan performance
- Both Models have a protective exhaust screen and louvers to keep rain out and tree leaves off your fan blade
- New!** • Both models feature hinge opening mounting brackets that provide easy access for cleaning and servicing of your fan

MAXAIR® **Ventilation Solutions**
