MAXXFAN DOME

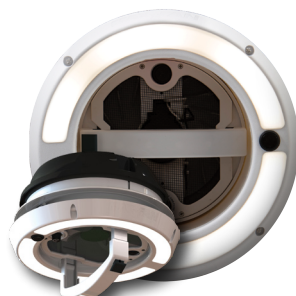

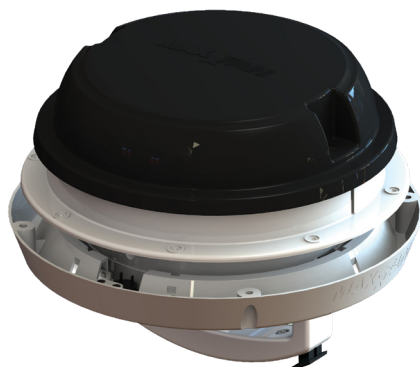

12V Exhaust Fan

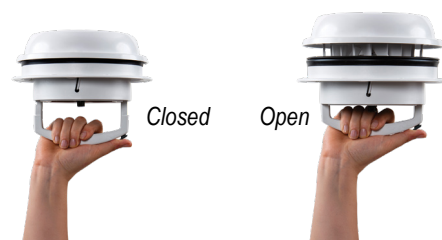

Interior

MAXXFAN DOME Plus

12V Exhaust Fan with LED lighting

Interior with LED lighting

A compact solution for ventilation and moisture control in small areas including bathrooms and showers.

- Designed for rooftop or sidewall ventilation applications
- 6" exhaust only fan with manual lift lid
- Locking lid with single hand push button operation
- Removable screens make cleaning a breeze
- For 1" roof thicknesses - extension included to accommodate up to 6" roof thicknesses
- Packaged with a matching fan guard that must be used for sidewall applications
- 1 YEAR LIMITED WARRANTY

The fan guard acts as a rain shield and protects your interior from weather and debris. Additionally, the fan guard provides protection from accidental contact with the fan blades.

MAXXSHADE PLUS

For 12V powered ventilation
fans with LED Lighting

Total Comfort, Day or Night!

Block out harsh sunlight and UV rays with ease! The MAXXSHADE features a fully retractable, spring loaded roller shade with a secure snap-lock closure to keep it neatly in place. Its reflective backing helps block light and reduce heat, all without interfering with the operation of your vent or ventilation fan. Installs easily for instant comfort.
